The date is April 11 and the classes will run concurrently in the Vulcan Elementary and Central High School Auditoriums. Each class will consist of four or five entries and all of the entries in one class will sing the same song.

Adjudicators for the festival are David Peterkin, Provincial Supervisor of Music and Dr. F. E. Churchly, Associate Professor at the University of Alberta in Calgary. Official accompanists are Miss Margaret Jamison and Mrs. Ted Hartung, however schools are welcome to bring their own accompanists.

W.I. Constituency Conference At Barons, 1963

The March meeting of the Thigh Hill WI was held at the home of Mrs. R. Deal with 10 members and two visitors present.

President Pat Roe was in the chair, assisted by Mrs. A. C. Marsh. Roll call followed the Irish theme "Sing, Say or Pay - An Irish Ditty" and penalties there were.

Mrs. E. Schmidt, convener of Sick and Visiting committee, reported on cards, etc. sent out. Correspondence read, led to the decision of the meeting to participate in Salad Foods "Symbol Saving Plan".

A donation of cash is to be sent to the Calgary Cerebral Palsy Association to be used to purchase Easter treats for the children.

President Mrs. Pat Roe advised the meeting that the Constituency Conference might be held May 27 and Barons is the hostess branch. Each member is asked to consider seriously what they have or what they can enter into the handicraft and baking etc. and may phone Mrs. E. Erickson for information on what may be entered. Mrs. Pat Roe gave a very good report on the recent conference held in Calgary.

The April meeting scheduled to be held at the Red Cross rooms, will now be held at the home of Mrs. Stan Scalos. Members please note the change.

While hostess Mrs. R. Deal prepared a lovely lunch the members were given a demonstration by Mrs. Pat Roe of her successful method of rooting philodendron slips. Tea draw was won by Mrs. Roy Deal.

The complete list of prize winners is as follows:
First Event—1, Alf Rupp, Champion; 2, John Wolfe, Vulcan; 3, Mike Jantzie, Vulcan; 4, H. Spaeth, Vulcan.

More than 400 communities throughout the province are conducting Canadian Red Cross fundraising campaigns during the month of March, and Brant, Alta., a community of some 80 families, is the first point in the province to reach its campaign goal with returns of \$420. Henry Bateman is campaign chairman for the Brant district and this marks the second successive year that the Brant community has led the province in being the first centre to complete its Red Cross drive for funds.

In Vulcan, the annual door-to-door "blitz" campaign will take place during the evening of Wednesday, March 20. Those who are missed are urged to send in their donations to the Vulcan Branch of the Canadian-Imperial Bank of Commerce.

Many local swimmers and instructors have been trained through the Red Cross Water Safety service and others have learned from the water safety demonstrations conducted at the Lions Memorial Pool in Vulcan. Services such as these and the invaluable blood transfusion service bring the Red Cross Society close to the public, but equally valuable and worthy of support are other Red Cross activities such as disaster services, international relief, sick room loan service, enquiry bureau, veterans services, women's work and the Junior Red Cross.

Support the Red Cross in its wide field of activities by giving generously when the canvasser calls.

An expert is a character from out of town.

Undeclared Record

Rupp Rink Of Champion Tops Vulcan Men's 'Spiel

Alf Rupp of Champion and his rink of Glen Rhodes, Roger Jensen and Jack Sanderson went through the week-long Vulcan Men's Bonspiel undefeated to capture top honors in the First and Second Events and also the Grand Aggregate.

In recording their ten consecutive victories they won over J. Wolfe of Vulcan and G. Prusky of Vulcan in the finals, to sew up the aggregate honors as each of these rinks had only lost one game up to the finals.

The 'spiel was very successful in every respect with an excellent array of prizes up for competition.

A broken brine pipe on one sheet Thursday evening caused some concern but a number of the local curlers stayed on duty and with the help of the town steamer were able to repair the break before morning. However no draws were missed as Champion made their ice available until the sheet was ready for use Friday afternoon.

The Red Cross was founded exactly 100 years ago.

Blackie Students "Adopt" Young Korean Orphan

Recently the Blackie Junior High School sold magazine subscriptions, earning quite a profit and decided to adopt a Korean orphan. They have received a picture of the child and a letter telling a little of their orphan's history.

The little girl, named Woo Kyung Sook, was born September 1955 and is a gentle loving and appealing child. She is in the first grade at school and loves reading, and is progressing well. Her health is good at present and her favorite play is folk dancing. To quote the letter "Somehow Kyung Sook's parents survived the holocaust of the Korean War to face many hardships later. Then misfortune struck and the mother died from the effects of long privation. After that tragic loss the father struggled both to earn a living and keep the home going, but he wasn't long equal to this double burden and died only a few months after the mother. Welfare workers then brought the children to our homes."

She lives at the Bethel Won (orphanage) at Taejon, Korea and the adoption secretary there writes that by her adoption she now has been given hope and the opportunity to prepare herself to become a good citizen of the oncoming generation.

Arrowwood Man Dies At Calgary

Roger Eugene Munroe, aged 54, of Arrowwood, died at Calgary on Tuesday, March 5. Services were conducted at the Arrowwood United Church by Rev. R. McNeill.

Interment was in the Arrowwood cemetery, with Forest Grove Chapel of Calgary in charge of arrangements.

Schools Quickly Evacuated At Fire Drills

Not all of the surprises came from teachers last week at the two local schools. Unknown to all but high school principal, H. H. Mumby, the Vulcan Fire Brigade slipped into the schools and flipped the fire alarm switch on Friday and the first fire drill of the term was underway.

At the Elementary School where 474 students and teachers were in session, the evacuation was completed in two minutes and at the Central High School everyone, including teachers who checked washrooms, the gym and other rooms, was outside in one minute and forty-five seconds. There was no serious trouble during the drill and Fire Chief Bob Johnston was very pleased with the orderly evacuation.

A few weeks ago the schools had been warned that a drill was coming but that was all the advance notice served.

Films are presently being shown during winter classes of the Fire Brigade and regular weekend drills are being run by various crews.

For the third year in a row the Vulcan Brigade has won honorable mention for their over-all work in fire fighting and fire prevention.

Gophers Herald Coming Of Spring

Despite the pleasant last half of winter experienced here no one is predicting any sudden jump into spring but if there is more rough weather to come we'll have the company of our spring-time companions, the gophers.

During the past couple of weeks roadsides and fields have come slowly to life as these furry, brown squeakers come out of hibernation and look the world over. One nervous soul was seen last Sunday touring main street of Vulcan a short distance from the town office, however several dogs were roaming nearby so it may be that this gopher saw only a sudden, brief unproductive spring.

No reports have been heard of the arrival of the first robin yet, but in many sheltered warm spots plants are beginning to grow. Also a car and golf cart were seen parked at the local clubhouse last Sunday so the next pattern in nature's cycle must be imminent.

Services At Haney For J. Haydamack

Funeral services for John Haydamack, a former resident of Vulcan who died on March 4 at Haney, B.C., were held at Haney on Friday, March 8.

Born in Russia 54 years ago, John Haydamack came to Canada as a young child. He moved to Vulcan about 1932 and was employed for many years by the Vulcan Electric Co. He served overseas for four years in the Canadian Army, returning to Vulcan at the end of the war.

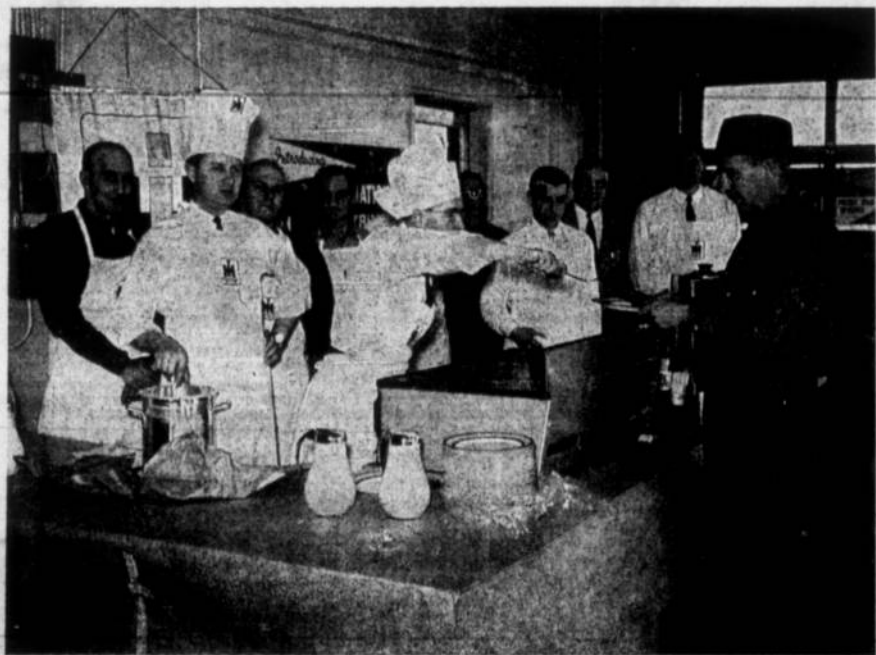

He continued to make his home here until ill health forced him to move to a milder climate and with his wife and family he moved to Haney last year. He is survived by his wife, Myrtle; one daughter, Mrs. Lionel Vedres of Vancouver, and three sons, Wayne, Randy and Eldon, at home.

FUA Bonspiel At Harronton

At the Harronton FUA Bonspiel which was curled in Blackie on the weekend with 16 rinks entered, the Gary Beagle rink won the trophy with four straight wins. Other members of the rink were Bob Beagle as third, Bernie Beagle as second and Jack Koster as lead. Second prize went to Clayton Tindall; third to Don Malmberg and fourth to Henry Burney.

Dave Sewell's rink won the Second Event over Graydon Malmberg, Grant Cooke and Gordon Betchel. Dave's team-mates were Len Green, Helen Green and Dorothy Sewell.

The Third Event was won by Earl Malmberg along with Harry Weber, June Malmberg and Mable Green, over Mac Switzer, Dan McNiven and David Stewart.

"Bring 'em on, Bob," was the call from the above group of part-time cooks at 10:00 a.m. last Thursday morning as Bob Willard of Willard Equipment Ltd. threw wide his doors to six hours of "Open House." This was a breakfast session, a slather of pancakes and bacon washed down with a cup of coffee and it was served up, and welcomed by an estimated 280 visitors until after 4:00 p.m.

At the grille were Zone Managers Bill Anderson, Ken Meeker and Stu Cowan of Calgary and Lethbridge while waiting on tables was the local staff of the company. During the day films were shown by District Manager Ken Reid of Calgary.

The newly renovated premises of Willard Equipment Ltd. appeared spotless for the occasion and from the workshop-turned-dining-lounge

the smell of diesel fuel and grease was replaced by tempting breakfast odors and bustling from table to table were some converted mechanics whose neatness and finesse did the restaurant industry proud.

Winners of the door prizes were Peter Degenstein and Mrs. Owen Fulton.

Letters to the Editor

432 34th Ave. N.W.,
Calgary, Alberta.
March 8, 1963.

To the Editor of The Advocate,
Dear Sir:

As an ex-Queenstownite I am writing to voice my appreciation of the reprint from the Gleichan Call of October 10, 1918, in the March 6, 1963 issue of the Vulcan Advocate, viz:

"Old Newspaper Recalls Box Social at Queenstown." I read it with a great deal of pleasure — names of so many I used to know, relatives, neighbors, friends. It really unrolled some pages of history. Mr. Hardwick did a splendid job of recording names. Mr. Beach really excelled himself as an auctioneer. I'm glad my husband, George Macomber's judgement was vindicated in the use of the new U.F.A. hall. It is something special too, to recall that "I was there" at this Box Social at Queenstown — on Friday evening, September 2, 1918.

With sincere appreciation,
Yours truly,
Jessie S. Macomber.
(Mrs. George E. Macomber)

A "Non-Cancellation" Pledge to WAWANESA AUTOMOBILE POLICYHOLDERS

The Wawanesa Mutual Insurance Company pledges that it will not cancel your automobile policy after it has been in force 60 days or more — except for non-payment of premiums.

ANOTHER FIRST FOR WAWANESA!

Every insurance company has the right to cancel an automobile insurance policy for any reason which to the company seems sufficient. This has always been a matter for concern to automobile owners who fear that they may be cast adrift in the automobile insurance market... with only a cancelled policy for a paddle.

Related to its volume of business Wawanesa seldom exercises its cancellation privileges. However, to relieve any lingering anxieties you may have, Wawanesa now pledges:

1. If you have been a policyholder of the Company for at least 60 days, Wawanesa will not give you notice of cancellation for any reason except non-payment of premium.
2. If your present policy with Wawanesa is renewed there will be no waiting period; in other words, the renewal policy will not be cancelled after the expiry date of your present policy for any reason except non-payment of premium.
3. If you are not at present a Wawanesa Automobile Policyholder but become one, the above non-cancellation privileges will become applicable to you after a waiting period of 60 days.

Lomond News

Mrs. Florence Hart accompanied Mr. and Mrs. Pete Ruppert as far as Olds on Tuesday and visited her son and family, Mr. and Mrs. Leonard Hart, and returned home on Wednesday.

Mrs. F. E. Hart and Walter were in Vulcan shopping last week. Mr. and Mrs. Henry Lindstedt and Cathy attended open house on Sunday at the home of the latter's uncle and aunt, Mr. and Mrs. Chester Thompson of Milo. The occasion was their 25th wedding anniversary.

Mr. and Mrs. Pete Ruppert and son Billy were Sunday visitors at the Ralph Richardson home at Berrywater.

Mrs. Helen Pearson was a visitor in Lethbridge for a couple of days last week. Miss Kathy Richardson returned to her home at Berrywater on Sunday, having spent the past week visiting her grandparents, Mr. and Mrs. L. Chase and son Terry.

The Rangland Five played for a wedding dance at Rainier last Saturday with a large crowd attending.

There seems to be a lot of sickness in Lomond and the surrounding district, what with colds, flu, measles, mumps and chicken pox, all making the rounds. The nurse that was in Lomond is sure missed now. Her absence makes for a lot of unnecessary trips as well as not having the assurance of help close at hand when necessary.

The Lomond Boys' and Girls' Basketball Teams took part in the tournament at Vulcan last week. Quite a number from Lomond attended the dance at Armada last Friday night. Music was supplied by the Rangland Five.

A miscellaneous bridal shower was held at the Lomond Community Hall last Friday afternoon in honor of Miss Rita Calvert, bride-elect, whose marriage to Bobby Fraser, son of Mr. and Mrs. Alec Fraser, takes place this week.

Mr. and Mrs. Pete Ruppert and Jim Lay were in Red Deer last week where the men attended the Fireman's Convention while Mrs. Ruppert visited her niece, Mrs. Bobby Nimz.

Miss Donna Huff of Red Deer spent the past weekend visiting her parents, Mr. and Mrs. Leonard Huff and family.

The Triple L (Lutheran Young People) enjoyed a round of curling on Sunday at the local rink.

Mrs. Lena Huff is visiting her daughter at High River who was recently a patient in the Calgary General Hospital. She also plans to spend some time in Calgary visiting relatives.

Mr. and Mrs. Harry Clark moved to Lethbridge last week. Their many friends wish them much happiness in the new home, but needless to say were very sorry to see them leave the community.

All those who attended the services of the Janz Quartet in the Lomond Community Hall last weekend report having enjoyed it very much.

PIONEER CLUB

The Lomond Pioneer Club met on Thursday evening in the hall. There were 20 persons present.

It was decided to discontinue sending wreaths. Instead a card would be sent to relatives and the money put into a memorial book fund at the school. A donation of \$100 is to be given to the Community Centre.

It was also decided to hold a Senior Citizen's Social evening. If anyone in the community is willing to help with the entertainment or any other part of the planning they may contact one of the directors.

Officers for the coming year are as follows: President, Alvin Koch; vice-president, Ray Elliott; secretary, Henry Lindstedt. Directors: Evelyn Elliott, Mrs. F. Koch, Mildred Honess, Henry Huff, Herbert West and Albert West.

FATHER & SON BANQUET
 A Father and Son Banquet was held in the Lomond Hall on Feb. 20, with a very good attendance.

Art Marks was chairman for the evening and introduced the guests at the head table. In attendance was District Commissioner Kjeld Pederson and Assistant District Commissioner Al Clifford, both of Lomond; also Pastor Berg and guest speaker Doug Johnson, who

is a Scout Leader of the Carman-gay district.

A toast to the fathers was given by Scout Frank Ruppert and responded to by Hirst Goldthorpe. Art Marks read reports from the Cub Pack, Scout Troop and Rover Crew on the year's work.

A short sing-song was held, led by Kjeld Pederson. Floyd Sande was presented with a gift from the Scout Troop for his work with the boys as their leader had resigned earlier in the year.

The Patrol Proficiency Shield was presented to Jimmie Foreman's patrol this year which is the Tiger Patrol. His patrol had a miniature Scout camp on display.

Doug Johnson gave a very good talk on Scouting. Art Marks congratulated Lelf Pederson on his good work, trying for the Greece Jamboree in 1963. He is sixth on the list, so if anyone cancels out he will be able to go. If not he will get a months holiday at a

ranch in Mexico.

District Commissioner Kjeld Pederson with the assistance of Cub Master Al Clifford and Scout Kenny Pearson, presented Assistant Cub Master Helen Pearson with her Wood Badge Award.

The evening was brought to a close by a selection of numbers played by Jack Belchers band, consisting of Scouts Doug Bolduc, Billy Brown, Eddy Chapman, Ronnie Lindsteadt and Joe Lindsteadt, with Mr. Belcher on the violin. A sing-song also took place with the boys supplying the music.
